Ottawa October 5th, 1910.

MADAM,

With reference to your letter of the 19th July last, I am directed to inform you that scrip for $40.00, in each case, has been issued in favour of Harriet Whitford and Donald Todd, as heirs of their deceased father, Donald Todd; also for $13.33 in favour of Donald, and for $13.34 in favour of Susanne Todd and for $13.33 in favour of Harriet Whitford, as heirs of Samuel Todd, who was one of the heirs of Donald Todd.

Respecting the claims of the heirs of Francis Whitford, I am to say that scrip for $13.00, in each case, has been issued to the following heirs:— Margaret McAllister, Frank Whitford, Lizzie Whitford, Mary Todd, Archibald Whitford and Andrew Whitford.

In connection with the above claims, I am to say that, if the grantees of the above scrip will make a written request over their own signatures, attested by two witnesses, for the delivery of their scrip, the matter will be considered.

Your obedient servant,

J. G. Rutter

Secretary.

*Ottawa,* 19th January,1911

Copy for 2146362

Memorandum:-

I beg to return the letter from Mr. Clark,M.P.. enclosing a letter from Mr.Matthew Cook. dated Lemerton.the 19th ultimo,respecting the delivery of certain Half-breed scrip to the heirs of Samuel Todd,and to attach hereto a copy of the Secretary's letter to Mr.James Whitford of the 5th October last,to which no reply has yet been received.

It will be observed that in connection with the delivery of the scrip in question Mrs.Whitford was advised that if the grantees would make a written request over their own signature,attested to by two witnesses,for the delivery of their scrip,the matter would receive consideration.

Mrs.Whitford had previously requested that,owing to the expense they would incur if all the heirs had to attend personally at the Land Office to receive their share of scrip,amounting to $10.00,each,in two cases and $13.33,each,in the other three cases,that the shares be allowed to be withdrawn by one member of each family identified by Mr.Cook.

As you are aware this would be contrary to our practice,which requires that the scrip should be delivered personally to the grantee by an officer of the Government. Under the circumstances,it was thought,however,that if the grantees,as Mrs.Whitford was advised in the letter of the 5th October above referred to,would make a written request over their own signature,the matter might be further considered by the Department.

Respectfully submitted,

The Honourable Frank Oliver.
Minister of the Interior.

Sir:

In reply to your File No.1758311 of February 11th.inst., I beg to say that no application has been received by this Department from or on behalf of Roy Harris.

As respects Nelson S.Brace, of Charlottetown, P.E.I., an application was received from him, and it would appear that, through an error, the Warrant (No.1395) was made in favour of "Nelson T.Brace." A careful examination of the application satisfies me that it should be "Nelson S.Brace", though the initial "S" is rather obscure and might very easily be taken for a "T".

DOMINION LANDS ADMINISTRATION

9th July, 1928.

¼ Sec. 5 Tp. 28 R. 11 W. 4 Mer.

Some time ago you were in communication with this Department on the subject of a second homestead, and you were informed that you were at liberty, upon obtaining a Certificate of Approval from the Province, to select a vacant and available quarter-section and, outside the Dry Area, and have such quarter-section reserved pending the fulfilment by you of certain conditions as prescribed Departmentally under the amendment to the Dominion Lands Act passed in 1923.

I am now to inform you that at the last session of Parliament a further amendment was made to the Dominion Lands Act, reading as follows:

"Except as otherwise provided in this Act, every person who has received or receives or has become or becomes entitled to letters patent for a homestead by the performance of homestead duties, with or without payment of purchase money, or by the location of scrip thereon, shall be deemed to have exhausted his homestead right and shall not be entitled to obtain another entry for a free homestead.

"Provided, however, that any person who on the first day of January, 1925, had obtained or had become entitled to letters patent for a homestead as aforesaid, may be granted the right to make entry for a second homestead, subject to the provisions of this Act.

"The holder of a pre-emption or purchased homestead entry shall not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead under the provisions of this subsection".

Under this new provision it would appear that, provided the land above described is the only land for which you have obtained homestead patent, you are now entitled to take up another homestead, the presentation and surrender of this letter to any Agent or Inspector of Dominion Lands will be his authority for granting you, should he is aware of no reason to the contrary, homestead entry for vacant and available quarter-section of Dominion Lands anywhere in Manitoba, Saskatchewan, Alberta, or the Peace River Block in British Columbia, on the usual terms and subject to the provisions of the Dominion Lands Act and regulations thereunder.

If you are indebted to this Department for seed grain, fuel or relief, the land taken under authority of this letter will be subject to such indebtedness.

This replaces any previous action which may have been commenced in your case under the Dominion Lands Act amendment of 1923.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Calgary, Alberta, Canada. December 10th. 1910.

Dominion Government Land Office
Ottawa, Canada.

September 2nd, 1910, in the Dominion Land Office at Calgary, I filed Homestead Entry Number 41187 on the Southwest quarter of Section six (6), Township twenty seven (27), Range thirteen (13) west of 4th meridian. Now if the Dominion Land Office has discretionary power and authority to extend the time of occupation, I would like to have mine extended from March 2nd, 19 to April 1st, 1911. for the following reasons:

When I left California, my expectation was to work through harvest and threshing till November 1st and with what I might earn together with what I brought with me, go upon a homestead and do what the weather would permit. But on arrival here I found, practically, no harvest on account of the excessive drouth that prevailed. In august I had just 10 days work haying.

September 12th I began work in the General Hospital at this place. But on the 23rd I was stricken with the typhoid fever that was epidemic here and nearly as malignant as was the yellow fever at New Orleans, Louisiana, in 1905. I was unable to resume work

229574

November 26th. So because of the heavy expense that I incurred, my resources are very much curtailed I am 57 years of age, and, having come from a warm climate, it would go hard with me to live in a tent in cold weather such as may come in March.
I do not want to either abandon or forfeit my Home-stead, having come to Canada to get a Home.
I will mention the fact that I did the Dominion Government some service in California in the way of distributing pamphlets.
Now, if the reasons given are sufficient and it can be legally done, I hope that you will have the kindness to extend my time of occupation from March 2nd, 1911 to April 10th.

I, Robert Bruce Hunter age 57.

do solemnly declare :—

That I made entry for the above-mentioned land as a Homestead

the Second (2nd) day of September 1910,
and I now ask to have said entry cancelled for the following reasons, namely :—

(1) (Here state reasons.) The expenses of two attacks of Erysipelas and the wages lost thereby so reduced my means as to render them insufficient to get what I need, get to the land, live and meet the requirements of the law. (2) My health at present is not good.

(2) (Here state nature and extent of work done and if any, when performed.) Up to the present time I have made no settlement nor improvements on said land.

Entrant, Mr. R.E. Froby. This case is submitted to consider an application for an extension of time in connection with the reinstatement.

---

Mr. Froby obtained pre-emption entry for the above described quarter-section on the 13th of June, 1912.

Cancellation proceedings were instituted on the 2nd of June, 1915, on behalf of R. Dewar, and the entry cancelled on the 20th of August last.

Information having been received that this entrant was in default, the Commissioner cabled the Agent at Calgary to stay action and report and if any re-entry granted, to notify entrant not to take possession or exercise any ownership until matter investigated.

In view of the information contained in the Homestead Inspector's report dated the 27th of Oct., last, the Agent was advised by letter of the 5th of Jan., 1915, that he was to ascertain whether or not Mr. R. Froby was complying with the regulations in connection with his cancelled pre-emption entry, and if he was in residence on the homestead or the pre-emption, also to reinstate him free of charge and report his action here by separate letter.

Letter from Messrs. Peacock, Skene & Skene, dated the 4th ultimo, that Mr. Froby was working on a ranch a few miles out from Cheadle, that they understand he has been back living on the place since the cancellation proceedings were commenced and that he is prepared to go back again, if necessary, any time the Department should require him to do so. They ask, in the meantime, that Mr. Froby be given a further extension of time to get back on the place as it would be a hardship to the man, with whom he is employed, should he be required to leave until the weather moderates somewhat.

Please say if, under the circumstances, the cancellation proceedings may be held over until the 15th of July next.

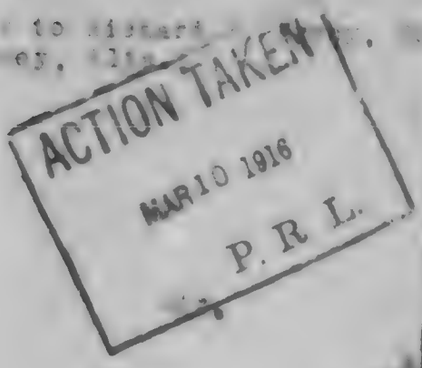

Mr. Froby has not apparently performed any residence duties since issue of patent for his homestead in March, 1915.

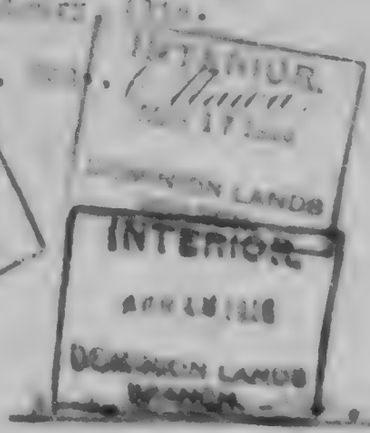

From the Homestead Inspector's report, there are 70 acres broken on the half-section.

I beg to acknowledge the receipt of your letter of the 19th ultimo in connection with the above mentioned half-section and in reply to inform you that letters patent for the first above mentioned quarter-section issued on the 17th March, 1913, in favour of the homesteader, Ernest H. With regard to the latter mentioned quarter-section, which stands as a pre-emption in the name of the aforesaid homesteader, I may say cancellation proceedings are now outstanding. Gentlemen,-

In connection with the pre-emption entered for by you in the above mentioned township, I beg to say that before finally dealing with the matter I would be glad to have a statement of all moneys that have been paid to this Department in connection with the entry, and also a statement of all moneys that you claim to have paid to others on account of the land.

The Department has been advised that you are one of the purchasers of certain lots in the above township, which were in advance for sale by public auction, but which were withdrawn from that date will be allowed you in order to enable patentees, pending the issue of the patent, to complete the cultivation of such lots, failing which it is possible that cancellation of the entry will follow without further notice on the cultivation conditions not otherwise.

Your letter to this effect, duly cancelled by a Dominion Lands Agent, must be forwarded to this office for it. Until the latter, to office that no further loans will be issued pending the issue of patent.

Memorandum:

Mr. Burr.

Re N.W.¼ 16-38-20 W. 4th M.
Pre-emption, Richard Ernest Proby,
Entry granted 17th June, 1912.

---

The Department has had considerable correspondence with Messrs. Hecock, Shone & Shone, barristers, of Calgary, Alberta, on the subject of this land.

From the evidence on file it appears that Mr. Proby has completed two terms of residence, in addition to the necessary cultivation, in connection with his pre-emption entry for this land, for which he made application for patent some time in December, 1917.

In regard to this it is represented that Mr. Proby made application for patent for his pre-emption early in 1918 before the then Superintendent of Dominion Lands at Moose Jaw but that this application was mislaid by the Superintendent. The Department, however, has never taken steps to ascertain the facts concerning this.

The application for patent, above referred to, was returned to the Agent of Dominion Lands at Calgary in February, 1918 with instructions to notify the entrant that it would be necessary for him to restore his entry to good standing by going into residence again and performing another six months residence and completing payment of principal and interest. The Agent's attention was also drawn to the fact that the evidence furnished as to residence in the application for patent did not agree with the statutory declaration executed by Mr. Proby on the 21st March, 1918, in defence of the cancellation proceedings instituted against his entry.

It does not appear that Mr. Proby has performed the required additional residence but from information furnished by his solicitors, it is probable that he has been employed as a farm labourer during 1917 and 1918, and they have

been.....

been advised that on receipt of evidence to that effect, the question of granting patent may be given further consideration. Unfortunately, however, Messrs. Peterson, [illegible] are unable to locate Mr. Froby at the present time and they ask for an extension of six months time within which to trace him. In as much as cancellation proceedings are pending, I am submitting the matter for consideration.

I might add that there was reason to suppose that Messrs. Peterson, [illegible] had, acting on behalf of Mr. Froby, leased the unpatented pre-emption and this matter was taken up with them. The result of this correspondence is to assure from them that there is no lease in existence. The land is apparently being worked by a man, who has rented Mr. Froby's patented homestead, the [illegible] of section 21 in the same township through the agency of his solicitors, above mentioned.

Mr. Froby has apparently had considerable family trouble and it is represented that were he to return to his land his life would not be of the most pleasant. The Department is, of course, not concerned with this feature of the case but it may have something to do with his disappearance and under all the circumstances of the case, I would recommend lenient treatment, particularly as the cancellation proceedings pending were instituted in June, 1915, and that the applicant for cancellation is very probably ineligible for entry now, the land being in the tract reserved for soldier settlement.

I think it would be quite in order to grant protection of the entry until, say, the 1st of November, with assurance of the winter protection thereafter until next spring.

Replying to your letter of the [illegible] ultimo, I am to say it has been decided, in view of your statement that the cause of the non-receipt of Mr. Edward Frost Frost, for whom known, to grant the request contained in a former communication for further extension of time within which to locate Mr. Frost.

Under the circumstances, cancellation proceedings will be held in abeyance until the 1st September next, by which date it is expected that some information will be forthcoming as to Mr. Frost's movements. It is considered that the applicant is entitled to very lenient treatment and it is hoped, therefore, that you will be successful within the time allowed you in locating him and inducing him to return to the land with a view to the completion of the unfulfilled settlement duties.

Sir,

S.T.I 16-33-20-W.4th M.

I beg to inform you that refund cheque #44359 for $20.00 sent you from the Department on the 1st of April last, represented the amount collected for improvements on the above described quarter section and was to be applied on the outstanding account of the former entrant for Municipal and School taxes.

The improvements in question consisted of a fence and it has now been ascertained that the fence on three sides of this quarter section belonged to the adjoining settlers, who have now communicated with the Department in connection therewith.

According to the report of a Dominion Inspector the only improvements which can be charged to this land is a fence on the west side, value $4.00, and this amount represents the sum which should have been collected from George Marvin Thomson, the present entrant. If Mr. Thomson is in arrears in his tax account in connection with his homestead, the Department would raise no objection to having the amount overpaid, namely, $16.00, applied on his account. However, if Mr. Thomson has paid his taxes up to date, I am to request you to refund to this Department the amount overpaid at the earliest possible date in order that this matter may be properly adjusted.

Referring to my letter of the 3rd ultimo in the matter of a refund of the amount collected from Mr. Thomson for improvements consisting of a fence on the north side of the quarter section, I beg to say that Mr. Thomson should not have been called upon to pay for this fence as it has now been satisfactorily established that the same was erected by you, and therefore, under the circumstances the amount collected for these improvements has been placed to Mr. Thomson's credit in the books of the Secretary-Treasurer of the Municipality on account of arrears of taxes, inasmuch as the moneys collected from Mr. Thomson for the fence on the east, south and north sides of his homestead were refunded to the Secretary-Treasurer on account of arrears of taxes in connection with the former entrant.

In view of this arrangement, Mr. Thomson will have no claim to the fence enclosing his homestead other than that portion on the west side of the quarter section.

I beg to acknowledge receipt of your letter of the 23rd ultimo, and in reply to inform you that Mr. Thompson, homestead entrant for the above described quarter section, should not have been called upon to pay for the fence on the east, south and north sides of the quarter section, inasmuch as the Homestead Inspector's report set forth that the fence belonged to the adjoining settlers.

As the former entrant for this land was indebted to the Municipality for taxes in excess of the amount collected for improvements, the whole of the moneys paid on this account was refunded to the Secretary-Treasurer, who has now advised the Department that he has placed the amount over-remitted, namely $40.00, to the credit of Mr. Thomson on account of arrears of taxes.

Under this arrangement, Mr. Thomson will have no claim to the fence other than on the west side of the quarter section.

Re - N.W. 16-32-20 W. 4th M.

I beg to inform you that according to a Homestead Inspector's report, with exception of the fencing on the road allowance, the balance of the fencing enclosing your homestead belongs to the adjoining settlers.

It would appear that this fact was overlooked by the Dominion Lands Agent at Calgary when he called upon you to remit a further sum of $20.00 to cover the Homestead Inspector's valuation of the fencing on the east, south and north sides of the quarter section. Furthermore, the amount paid by you for the improvements, namely $20.00, has been refunded to the Secretary-Treasurer of the Municipality in accordance with the present practice of the Department, to be applied on the former entrant's outstanding tax account.

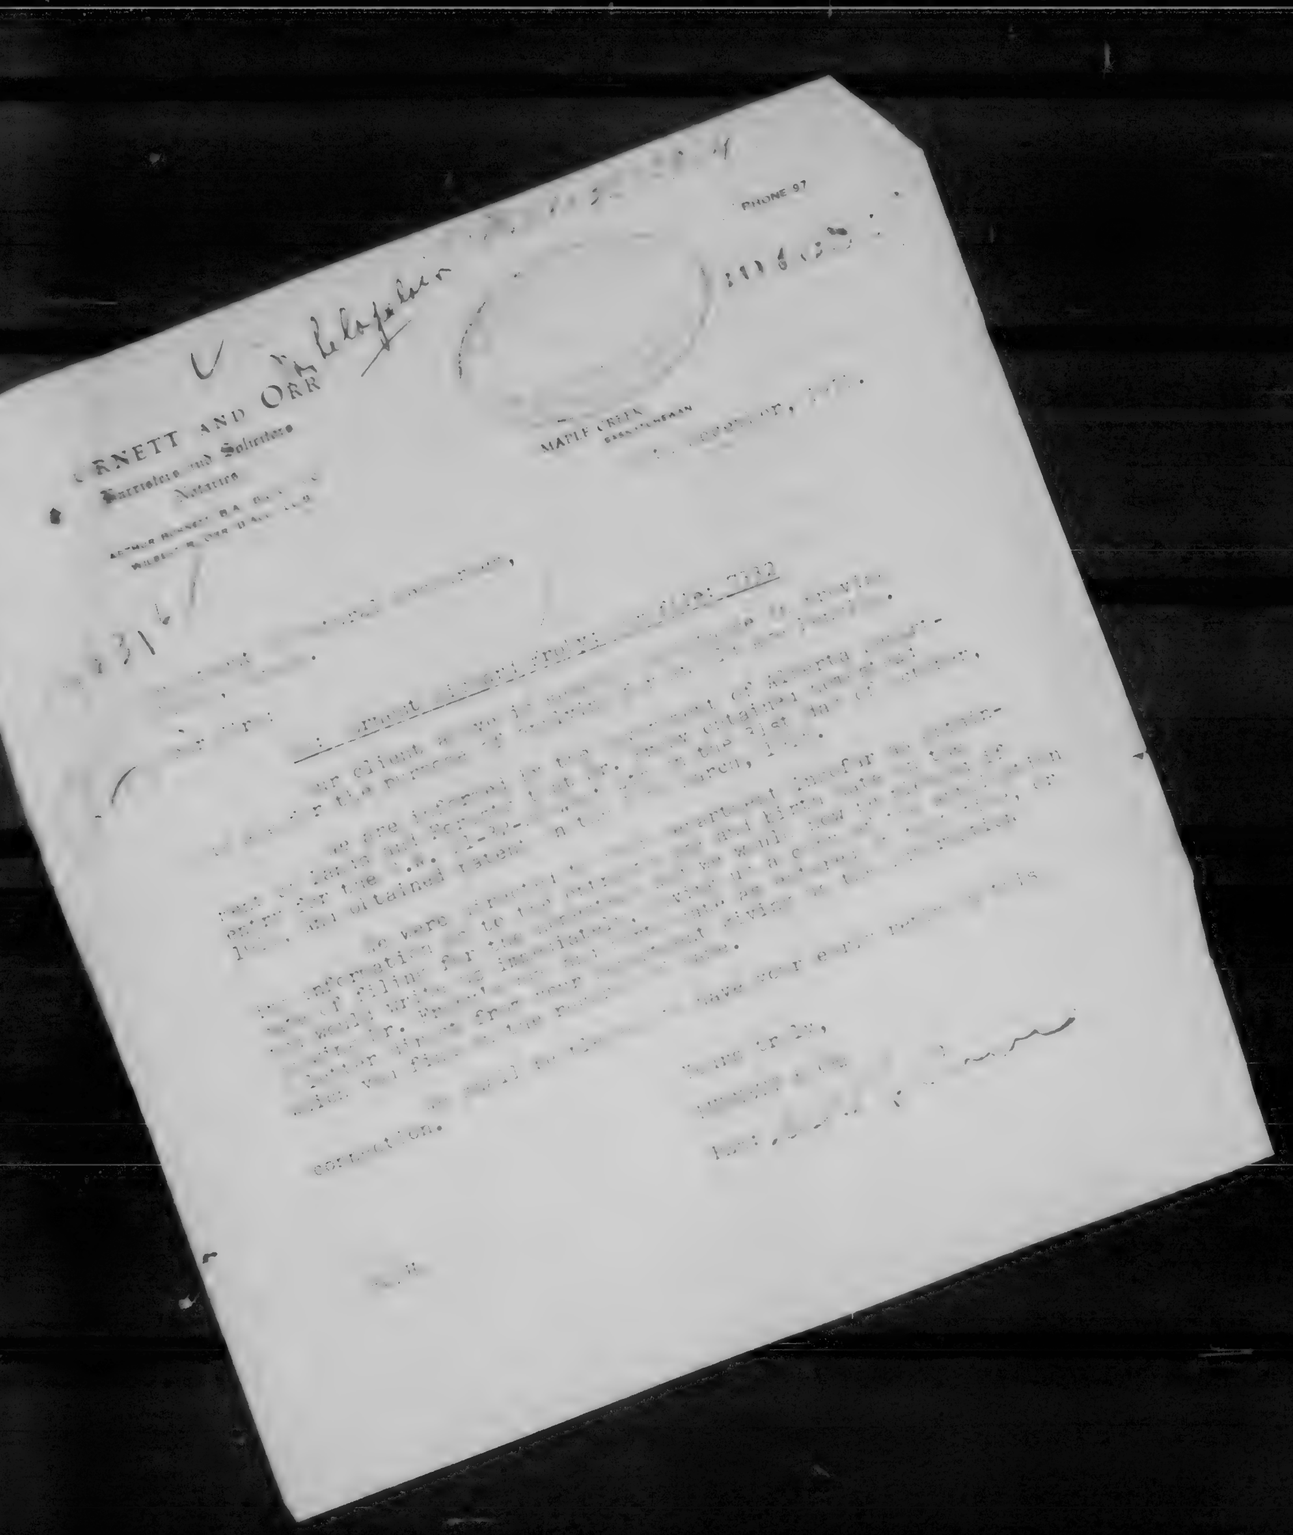

Messrs. Swallow and Hampton, settlers on adjoining lands, have communicated with the Department in connection with this matter, and the Secretary-Treasurer of the Municipality has now advised that he has placed to your credit on account of arrears of taxes the sum of $40.00, paid by you for improvements consisting of fencing belonging to settlers on adjoining lands.

The Department will raise no objection to this arrangement of the disposition of the moneys erroneously collected from you, but I am to point out that under the circumstances you will now have no claim to the fencing, other than that portion on the west side of the quarter section, and by concurrent mail Messrs. Swallow and Hampton are being advised of the action taken.

do solemnly declare:—

That I made entry for the above mentioned land as a Homestead
at the Dominion Lands Office at Calgary Alta on
the 6th day of October 1916,
and I now ask to have entry cancelled for the following reasons, namely:—

That the land is very weigh
I abandon this homestead in favor of my brother George Gordon Spence of Mecheche alta. who
if would suit to a homestead so he has cattle and have't.

If this question is not answered, abandonment will be considered unconditional and land will be disposed of by Department accordingly.

I live with my father James Alex. Spence
whose homestead is the East Half of 12 - 30-19
with in a few miles of the one I had mentioned
above -

There are no improvements just wild rough
open land no fences or breaking ever done.
so I did not have it long enough only this
winter.

My chief reason for one of them is I want to go to Peace

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

Memorandum.

Re. Diag.

S.W.¼ 4-26-14-W.4th M..
Pre-emption of Frank Schreiber.
Date of entry - 10th May, 1910.
Application for patent - 21st May,1919.

Mr. Schreiber completed the settlement duties required by the terms of his entry but has not applied for a Certificate of Recommendation.

The amount due on the land with interest to the 1st November, 1924, - $637.59.

Inspector Cloakey reported on the 17th October, 1924, that Schreiber is living on his homestead. The improvements on the pre-emption consist of fencing valued at $20.00 in 1923. The inspector reported -

"He cannot pay more than the interest this fall and wants an extension until fall of 1925, which I would recommend."

Mr. Schreiber wrote the Agent on the 29th December, 1924, with respect to his intention to make a payment on account of interest. He used the Agent's letter of the 7th March to report that he is unable to make a payment until next fall and that -

"I got to have a good crop at that."

As Mr. Schreiber is living on his patented homestead and is apparently carrying on farming operations, I recommend an extension until the 1st November, 1925, to pay for the pre-emption or to make a payment on account.

Dear Sir

I thought I would write and see if I can file on another homestead. I took up a homestead in the spring of 1910 and proved up on it, and I had a preamption which I cancled I bought two years ago when I had married for a wife. So that quarter will be open for homesteading again the west quarter of Section 4 Township 24 North of the 4th Meridian

I would like to know right away whether I can file on another homestead or not

Y to [illegible] Calgary,
Ref. 15767.

Sir,-

S.E. ¼ of Sec. 4 Tp. 26 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Mr. Shepherd made application for patent for his pre-emption, 28th February, 1921. The evidence furnished showed the completion of the required settlement duties.

Mr. Shepherd has not applied for a Certificate of Recommendation and has not paid the purchase price in full.

The last statement on file dated 8th September, 1915, shows the fourth, fifth and sixth instalments of the purchase price to be unpaid.

Mr. Shepherd was asked what his intentions are with respect to his pre-emption and has replied that he still owns his homestead and is still cultivating his homestead and pre-emption. He has experienced a partial loss of crops in each year since 1916. He wishes an extension of time within which to pay the purchase price.

I would recommend an extension of time until the 1st November, 1923, within which to pay the purchase price in full or to make a substantial payment on account thereof.

2. On the following day, that is on the morning of the 12th. January, 1927

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility for other entry.

3. After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, comes the next day, that is on the morning of the 13th. January 1927

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application and satisfy himself that there is no one in occupation as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands at whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee for a quarter section homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ 100.00

PAYMENT FOR IMPROVEMENTS

Before a person's granted entry for a homestead or a Soldier Grant, he *shall* deliver to the Agent a declaration of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $2,500, the Agent shall cause such improvements to be examined and valued by a Dominion Land Surveyor. If a surplus has been paid the excess amount must be refunded. If insufficient has been paid the entrant must pay the difference, otherwise his entry may be cancelled.

AMOUNT OF INDEBTEDNESS CHARGED AGAINST THE LAND

The following indebtedness is charged against the land: $ . If the amount indicated is insufficient to make up the total indebtedness, the applicant for entry is required to pay or assume the full amount of such indebtedness (or part thereof remaining at date of entry).

[illegible] of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

In the event of there being more than one bona fide claimant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective commencement of residence on the same quarter section before survey.

To enable due consideration being given to the rights of all persons claiming priority, the Agent shall not issue any applications for entry offering under the preceding section, if requested to do so by such claimants, a homestead entry for such land until the close of the office hours of the day on which the prior claimant is considered, or until the evening of the following day.

Where the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative by letter of an application for entry being a person claiming a prior right of entry for the reason that it is evident from the records that such person, by reason of the priority of date of commencement of residence on the adjoining homestead has a better claim than any of the claimants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided that if on account of sickness or other satisfactory reason shown to the Agent, a claimant, according to the records has a prior right of entry over all other applicants, is unable to appear in person, the Agent may hold the land for such settler for a reasonable length of time, reporting fully all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant such application, but refer the matter to the Board for consideration.

Any land, which after having been posted in the manner hereinbefore described, has not been entered for by a qualified settler on the first day on which such land became available for entry, or if after having been entered for by the respective claimant, it shall be open for entry on the following

For ordinary homestead entry by returned soldiers who have served Overseas and who produce,—
(a) Evidence of honourable discharge.

For soldier grant entry by any "settler" authorized by the Soldier Settlement Act upon production of Attestation Certificate, Qualification Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility.

Paragraph (c) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"Settler" means any person who has served in the naval or military expeditionary forces of Canada during the present war or who was engaged in such service during the present war in the territories of any nation, state or people at war with His Majesty the King or any of His allies during the present war, and who being a British subject resident in Canada enlisted before the war has been engaged in such service, and who has been honourably discharged from such service on account of the present war, and who has not since the war been in the employment of any of His Majesty's Navy or Military Forces, and who has not been dismissed from such service, and who has a military record or who has been honourably discharged, and the widow of any such person who died on active service.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in occupation, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy) may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so on the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent, not Sub-Agent.

CONFLICTING CLAIMS.

33 In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34 To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected but refer the matter to the Board for consideration.

35 Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

I am to acknowledge your letter of the 15th June last wherein, on behalf of your School District, you prefer a claim for payment of taxes assessed against the quarter-sections above mentioned, and in reply am to say with the exception of twenty acres of breaking on the quarter section shown above as vacant, there are no improvements on the land and consequently the respective entrants have not been called upon to remit anything on account.

I may add that when the South West quarter of Section 24 is disposed of the Agent of Dominion Lands at Calgary will detail a Homestead Inspector to report as to the value of the improvements, and if you furnish an itemized statement of what is due on account of taxes, any money which may be collected for improvements will be available for disbursement.

## Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the case of settlers before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or other representative of the Board by way of an application for entry from a person claiming a prior right of entry to the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land open until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over another applicants, is unable to appear in person on said day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been duly entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

## Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall [illegible] all applications for entry offering under the preceding section, if requested to do so, but shall [illegible] entry for such land until the close of the office hours of the day on which the prior right [illegible], as considered, or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise of such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made to the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting [illegible] all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

I beg to acknowledge receipt of your letter, undated, which apparently refers to your homestead entry for the S.E. ¼ 18-24-10 W. 4th Mer., and to say that I am forwarding same to Head Office for its information and consideration, but I would state in the meantime that all entries are being protected from the 15th of December to the 1st of April next, and if it is your intention to complete the duties next spring and apply for patent, it will no doubt be satisfactory to the Department.

I would however draw your attention to the fact that you have as yet furnished me with no definite advice in regard to your intentions in connection with the S.W. ¼ of this section which was reserved while you were on active service to enable you to have an opportunity to secure same as a pre-emption on your return. There are now no pre-emptions available, but provision was made that in such cases the land could be taken as a sale, with pre-emption conditions attached, or if eligible the Department might grant permission to take the land as a Soldier Grant. I cannot however advise you that the Department will hold the matter in abeyance until next Spring, but the Department will no doubt advise you fully in this connection on receipt of your letter.

Homestead of Richard Rowe.

On the 22nd March last Mr. Rowe was advised that he had completed his residence by active service overseas. As the entrant is now in England and the winter protection is about to begin, may Mr. Rowe be advised that he will be allowed until the 1st June next to furnish the Agent of Dominion Lands at Calgary with evidence that he has thirty acres broken and prepared for crop on the above quarter-section.

The South West quarter of Section 18, Township 24, Range 10, West 4th Meridian was reserved for Mr. Rowe in order that he might secure the same as a pre-emption on his return from overseas.

As pre-emption entries have been done away with and Mr. Rowe is entitled to secure a quarter-section at a sale subject to pre-emption conditions, may the quarter-section be further reserved until next Spring when Mr. Rowe purposes to return to Canada.

Sir,

Re L.F. & 18-24-10 W. 4th M.

I am to acknowledge your letter of the 9th ultimo, and in reply would say it is noted that you hope to be in a position to return to Canada this spring and complete the duties requisite for obtaining patent for your homestead, above mentioned. This would appear satisfactory.

However, with regard to the South east quarter of the same section which has been reserved for your benefit during your term of military service, I am to say that it will not be possible for the Department to continue the reservation of this land indefinitely and unless you return to Canada by the 1st June next and perfect your claim by making entry thereof as a homestead, subject to pre-emption thereto, the reservation will probably be withdrawn and the land thrown open for settlement on the usual terms. You understand, of course, that in connection with this entry, if made, you will require to perform the usual settlement duties and if you are not prepared to do this no good purpose would be served by you putting yourself to any inconvenience by making entry but in that case, you should notify the Department in order that the land may be made available without further delay.

On the 2nd February, he was again communicated with and reminded that the quarter section was reserved and if he desired the land it would be necessary for him to make application.

I beg to acknowledge receipt of your letter of the 7th ultimo, in which you state that you desire to retain your entry for the land above described and in reply to say that as you have completed the residence duties by virtue of military service, you will be in a position to apply for patent when thirty acres has been broken and a reasonable proportion prepared for crop.

If, for any reason, the land is difficult to bring under cultivation, the equivalent in cost to the breaking of thirty acres of ordinary prairie land will be sufficient. The duties in this respect may be done in one year and it will not be necessary for you to do the work personally as you may employ any one to complete the required cultivation duties.

As the Department cannot hold the land indefinitely for you, if you can arrange to have someone perform the required breaking, you should do so at once, otherwise, there appears to be no alternative open with the exception of carrying out cancellation.

The cancellation proceedings outstanding will be held over for sixty days from this date to give you an opportunity to furnish the Agent of Dominion Lands at Calgary with satisfactory assurance as to your intentions.

MEMORANDUM:

Mr. Rowe

S.E.¼ 18-24-10-W.4th M.
Homestead - Richard Rowe,
Entry granted - 20th May, 1914.
.....

The Department of Militia & Defence reported Mr. Rowe's enlistment on the 24th November, 1914, and that he was demobilized in England on the 13th November, 1919.

Mr. Rowe has therefore completed his residence duties by virtue of Military Service.

The entrant in a letter dated the 9th January, 1921, stated that he would endeavour to have the necessary cultivation completed in the spring of 1921.

As nothing further was heard from him cancellation proceedings were instituted on the 27th June, 1923, on behalf of the Department.

Inspector Fleming in a report, dated the 20th February, 1924, stated as follows:-

No improvements.

General Remarks:-

"Visited above land, no
"residence, no improvements, can break
"100 acres, balance low & sloughs.
"U.K. stock homestead."

In view of this report the case was submitted in a memorandum dated the 22nd March last, when it was decided to allow the entrant a final notice to submit evidence as to his intentions with respect to earning title to his homestead.

The entrant in a letter, dated the 7th ultimo, stated that his father was advanced in years and apparently he was not financially in a position to perform the duties.

In.....

In view of this letter, the case was submitted on the 30th ultimo when it was decided that on account of this man's extended Military Service, he might be allowed another opportunity to complete the duties and that he was to be written to explaining fully what he has to do to earn title and to point out that the Department cannot hold the land indefinitely, but that if he could arrange to have someone perform the required breaking he should do so at once, otherwise there appears to be no other alternative open to the Department except cancellation, allowing him sixty days to furnish satisfactory assurance as to his intentions.

A letter has just been received from the entrant wherein he states that being the only son of aged parents he has absolutely no means by which he could find the money to get out to Calgary, much less pay for the improvements required.

In view of this letter, kindly say whether cancellation is to be carried out and in view of the Inspector's report that 160 acres can be broken, that the Agent be instructed to post the land for settlement.

Kindly nothing to be gained by delaying cancellation. Sub-letting because of military service

MEMORANDUM:

MR. WEST.

S.E.¼ 12-14-10 W.4th M.

Mr. Richard Rowe's homestead entry for the above land was cancelled under authority of Head Office letter of the 16th May, 1924, in view of the receipt of a letter from Mr. Rowe to the effect that he had absolutely no means by which he could find the money to return to Calgary from England, much less to pay for the improvements required by the terms of his entry.

When Mr. Rowe wrote the letter setting out the impossibility of returning to Canada, he was not in receipt of the Departmental letter of the 2nd May, 1924, which allowed him a period of sixty days to furnish the Agent at Calgary with satisfactory assurance that he intended to complete the cultivation duties necessary to earn title.

Mr. Rowe had satisfied the residence conditions by Military Service with the Canadian Expeditionary Force from the 24th November, 1914, to the 13th of November, 1919, on which date he received his discharge from the Army in England.

Before receiving notice of the cancellation of his entry, Mr. Rowe addressed another letter to the Agent at Calgary, to the effect that he had written a cousin of his, Mr. Tom Perry of Bellington, Alberta, (Sec.30, Tp.25, Range 1 West 5th M.) with a view to having him perform the cultivation on his homestead. The Agent has transmitted Mr. Rowe's letter with a statement that he has withdrawn the posting notice of the above land and is reserving the land pending the receipt of further instructions from this office.

I would suggest that the Agent be asked to continue the reservation of the land for the present, and that Mr. Tom Perry be questioned as to whether he will undertake the performance of 30 acres of cultivation in behalf of the entrant. I would point out, however, that Mr. Perry lives a considerable distance from Mr. Rowe's homestead and may not be inclined to undertake the cultivation of the land.

MEMORANDUM

S.E.¼ 6 - 48 - 10 - 4th W.
Pre-emption of Charles V. Bertram.
Entry granted 31st July, 1912.

S.W.¼ 6 - 48 - 10 - 4th W.
Homestead of Charles V. Bertram.
Patent issued 30th September, 1915.

Mr. Bertram applied for patent for the homestead on the 31st August, 1915, claiming residence up to the 3rd of that month. The evidence furnished showed that he had completed the required six months residence in each of three years but no more.

Cancellation proceedings were instituted against Mr. Bertram's pre-emption entry on behalf of one, Bertram Evans, on the 4th April, 1916. These proceedings are still pending.

Mr. Bertram's defence dated the 25th April last shows that no residence has been performed since he applied for patent for his homestead, but he claims that the required thirty acres have been broken and the cultivation duties kept up to date.

Mr. Bertram has asked that his entry be further protected owing to the fact that he is partly disabled owing to the after effects of having fractured his leg twice in the same place. A medical certificate has been furnished, showing that the fractures referred to occurred in the years 1910 and 1916, while another medical certificate sets out that he suffered from the fractures in question but gives no dates. Neither of the certificates set out Mr. Bertram's present state of health.

There is nothing on file to indicate whether or not Mr. Bertram has kept up his pre-emption payments, but this information should be obtained from the patent branch.

Mr. Bertram, before he completed the requisite residence duties each of three years had been absent from the land for nearly three years, is not entitled to apply for patent under the homestead regulations. As he has been

ment from the land as above set out for nearly three years, it would not be in accordance with the usual practice of the Department to grant him further protection unless he is able to furnish a medical certificate showing that his present condition is such that it is impossible for him to resume the performance of his residence duties.

Possibly before arriving at a decision as to whether any further protection should be granted it would be advisable to call upon Mr. Bertram to furnish a medical certificate definitely setting out the present state of his health, and if not at the present time in a condition to perform his settlement duties, when he will be able to do so.

Respectfully submitted,

medical certificate definitely setting out the present state of your health and if not at the present time in a condition to perform your settlement duties when you will be able to do so.

Please give this matter your prompt attention. When the medical certificate has been received your case will be given further consideration.

Assistant Secretary.

Sir,-

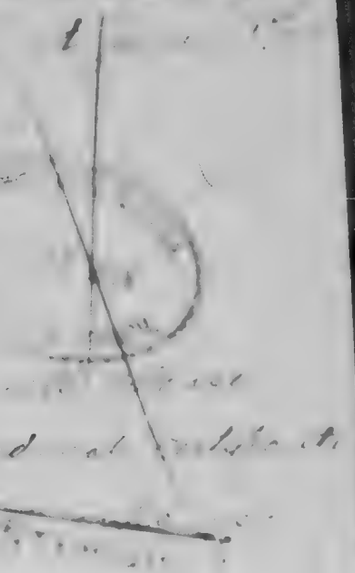

Referring to the cancellation proceedings which have been taken against your pre-emption entry for the South East quarter of Section 6, Township 25, Range 10, West of the 4th Meridian, I beg to inform you that your letter, with enclosures, of the 23rd ultimo, addressed to Mr. McGinnis, the Canadian Government Agent at Detroit, has been referred to the Department.

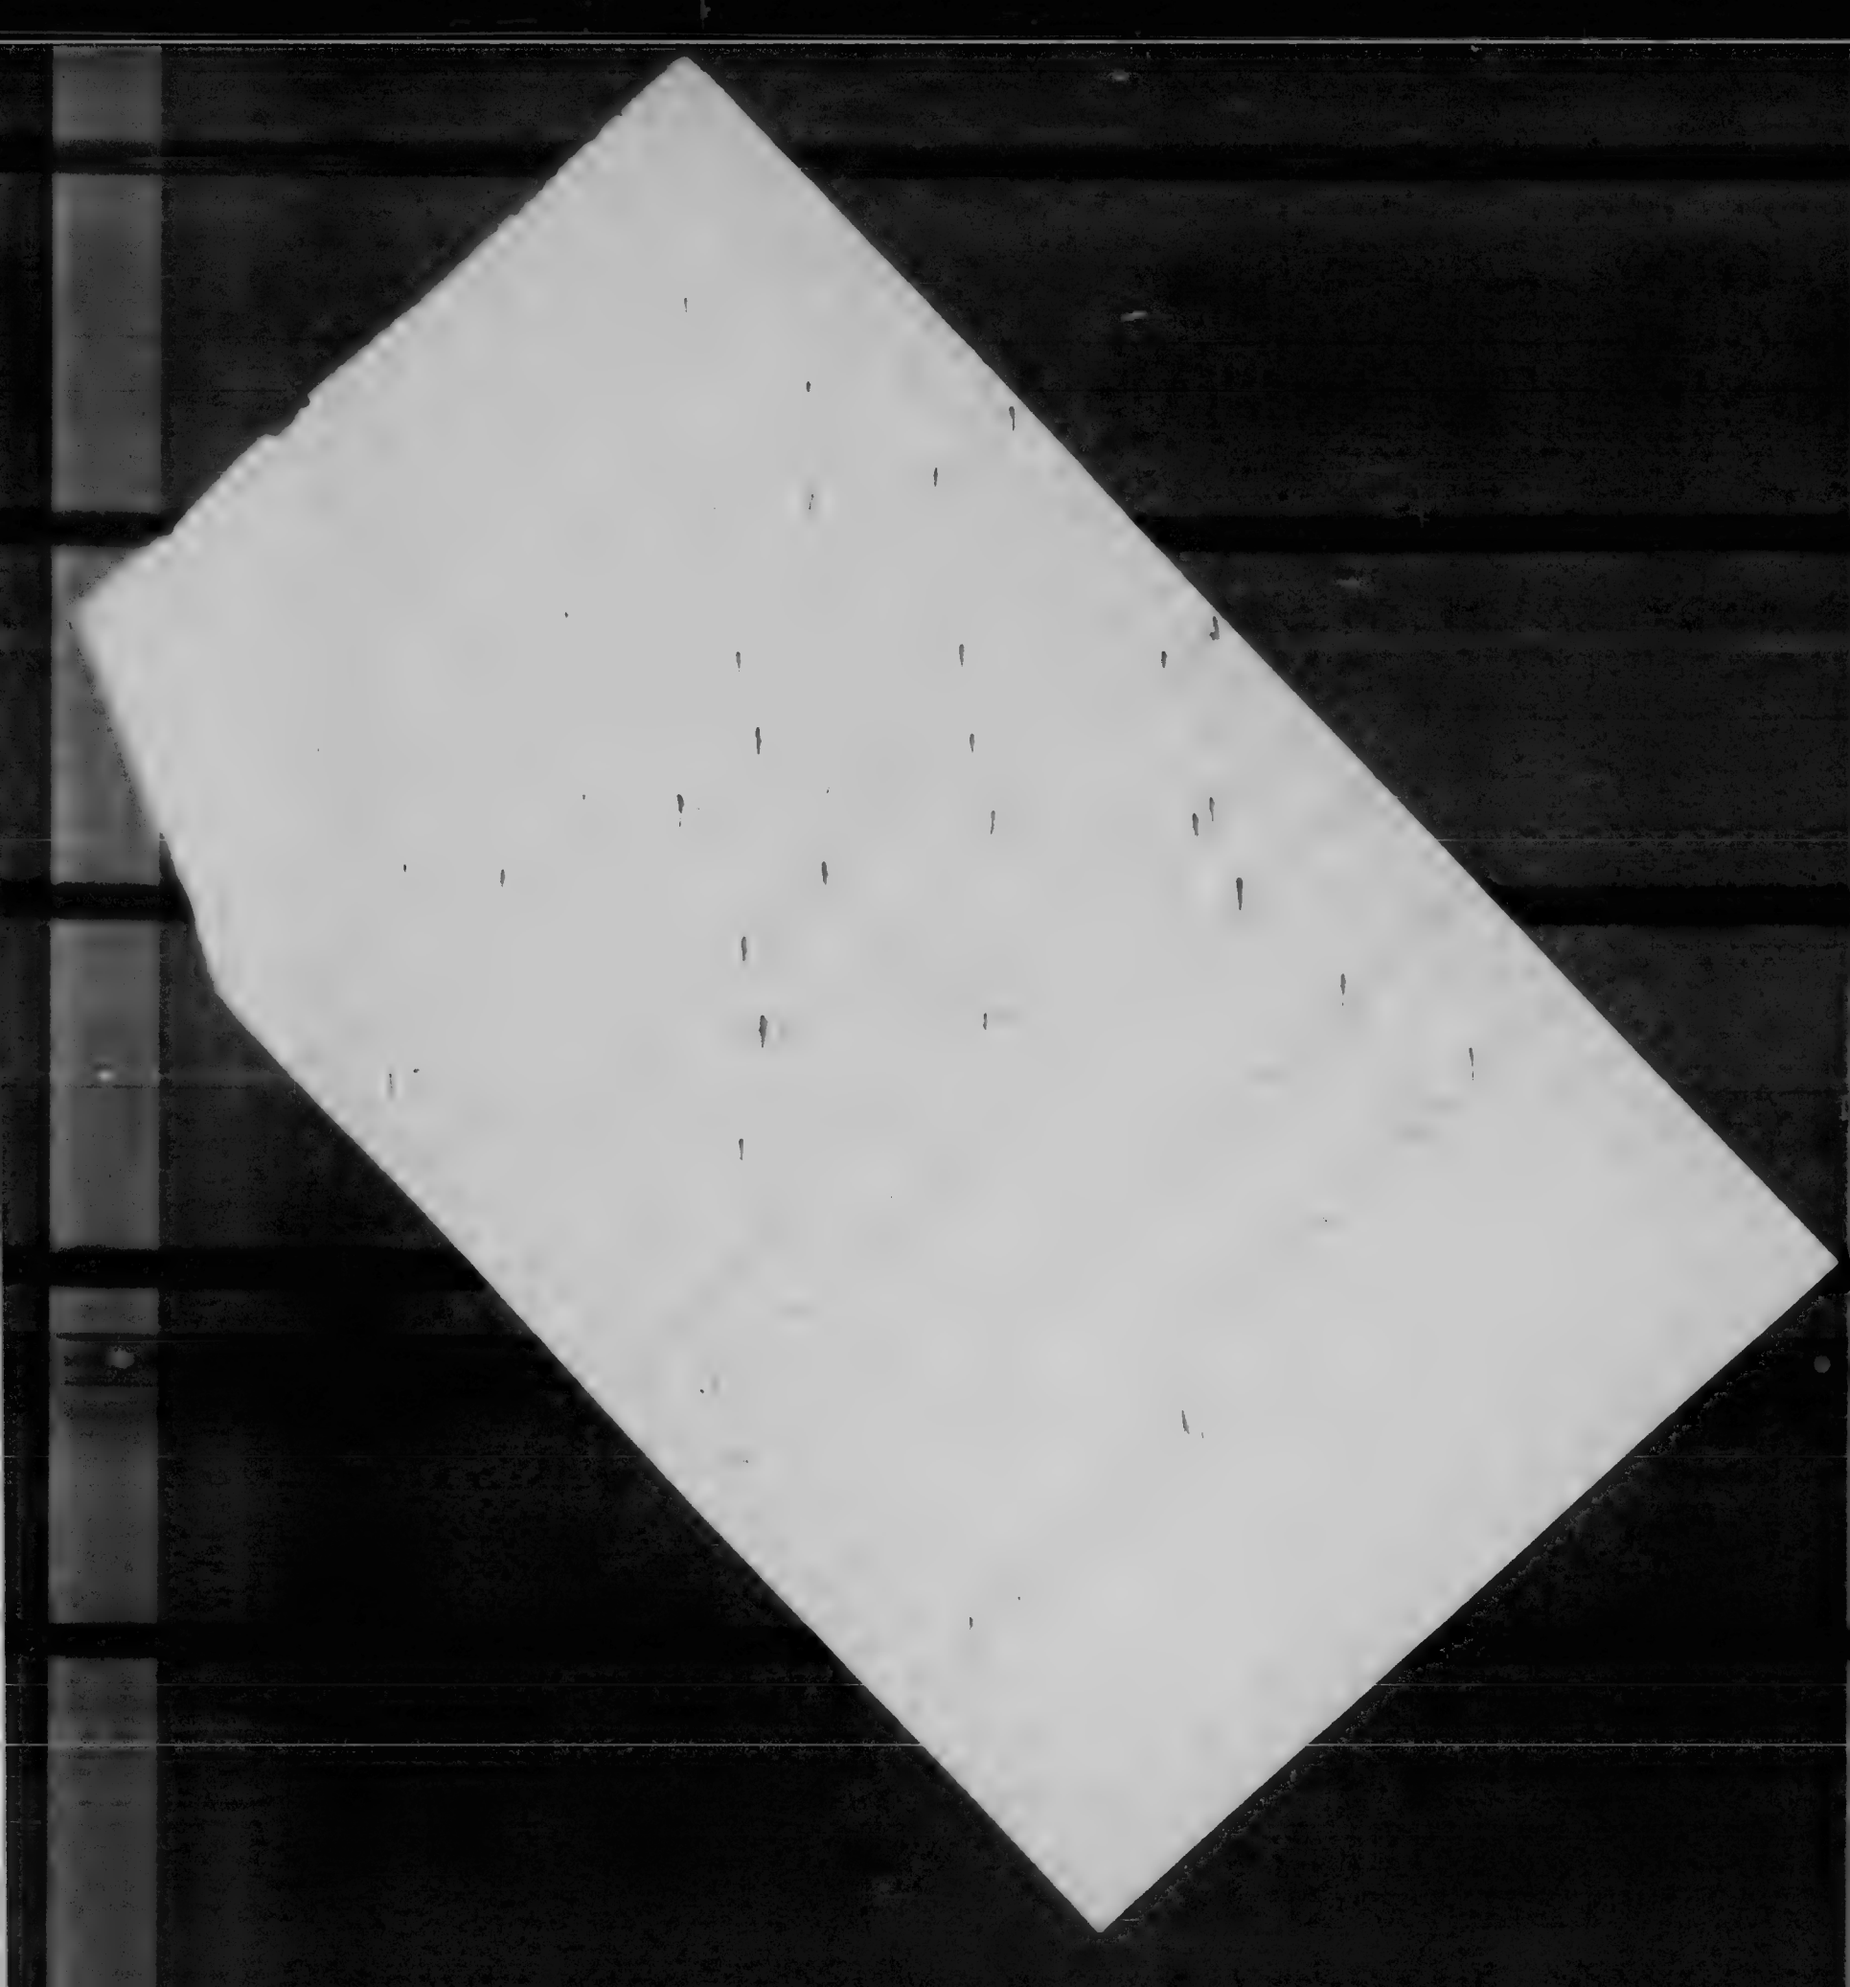

Apparently you have performed no residence in connection with your pre-emption since you applied for patent on the 31st August, 1915 for your free homestead, the South West quarter of the same section, and your pre-emption entry is now seriously in default and it would not be in accordance with the usual practice of the Department to grant you any further protection unless you can furnish a medical certificate showing that your present physical condition is such that it is impossible for you to resume the performance of your residence duties.

Under the circumstances I am to ask you to furnish the Department immediately with a -medical-

Sir,

I beg to acknowledge the receipt of your letter of the 21st ultimo, regarding your pre-emption, the South East quarter of Section 6, Township 25, Range 10, West of the 4th Meridian, and in reply am to say it has been decided, in view of the medical certificate you furnished, to hold over until the 1st of April, 1919, the cancellation proceedings which are outstanding against your entry on the condition you furnish the Agent of Dominion Lands at Calgary by that date that you have resumed the performance of the necessary residence duties for your pre-emption in a manner satisfactory to the Department.

As you have been absent from your land about three years you are not in a position to apply for patent for your pre-emption under the Dominion Lands Act or any of the amendments thereto, and your entry is now seriously in default in regard to residence. The only thing that can be done for you is to protect your entry and it is advisable that you comply with the terms of the concession which is being granted. Mr. Bartram has recently furnished the Department with a medical certificate, showing that he is not at present able to go on the land, and it has been decided to hold the outstanding cancellation proceedings over until the 1st of April, 1919, by which date it will be necessary for Mr. Bartram to satisfy the Agent at Calgary that he has resumed the performance of the residence duties in connection with his pre-emption in a manner satisfactory to the Department.

Dear Major Redman,

S.E. 6-25-10 W.4th M.

I have yours of the 11th instant, enclosing a letter which you received from Mr. Bartram in which he asks that he be given patent to his pre-emption without being required to perform any further settlement duties.

In reply I may say as Mr. Bartram has been absent from his land for a considerable period prior to which he only performed sufficient in the way of residence to entitle him to homestead patent, I do not think we will be able to entertain his request. It will not be necessary for Mr. Bartram to perform three full terms of residence as he may take advantage of the amendment to the Act, and by doing six months' residence, provided the cultivation duties have been satisfactorily performed and application for patent is made while his entry is in good standing, he may secure patent by paying for the land, or in case he does not wish to pay for the land, obtain a certificate of

recommendation which will permit him during the period the certificate is in force to mortgage, assign or transfer his interest in the land, in fact deal with it as if the title stood in his name. Should Mr. Bartram not be in a position to again take up residence the only alternative is to allow him to buy the land provided he can show the cultivation duties to have been satisfactorily performed, by paying in addition to the usual purchase price of his pre-emption, together with accrued interest, the extra price of three dollars per acre.

Ottawa, 2nd May, 1919.

Mr. Ware.

Re. S.E.¼-.-.-W.-4th-M.
Pre-emption, Chas.W. Bartram.
Entry granted 1st July, 1912.

Mr. Bartram completed the settlement duties in connection with his entry for the appurtenant homestead, and received letters patent therefor bearing date the 16th of November, 1914.

It would appear that Mr. Bartram was unable to resume residence on the land after securing patent for his homestead on account of illness. He has apparently been receiving medical attention since 1915. According to statements the cultivation duties have been carried on.

Mr. Bartram made application to be relieved of the performance of further residence, and Major D. L. Redman, M.P., who interested himself in the case was informed on the 19th of March that, "should Mr. Bartram not be in a position to again take up residence, the only alternative is to allow him to buy the land provided he can show the cultivation duties to have been satisfactorily performed by paying in addition to the usual purchase price of his pre-emption together with accrued interest, the extra price of $1.00 per acre."

Mr. Bartram now writes that he accepts the offer to pay $1.00 per acre, stating that he will be in a position to make payment on the 15th of November, next.

This case is submitted in accordance with instructions received from the Deputy Minister's Office dated the 21st of March, 1919.

I assume that Mr. Bartram cannot be considered [illegible] as he already completed the requisite cultivation duties, but that he should be allowed [illegible] the present year, and that he should make application for [illegible] the regular way when making payment in full for the land, showing the cultivation duties performed in accordance with the terms of the entry.

The above named settler has made application to our District Office for permission to transfer his soldier grant entry to the S.W.¼ of 27-28-4-W.5th. As this transfer is in the settler's interest, his present land being situated in a dry district, the board concurs in the settler's application.

With respect to this settler's patented homestead, namely, the S.W.¼ of 27-28-14-W.4th, this quarter is being abandoned by Sinclair who is giving the board a Quit Claim to this parcel so that he may apply for a second homestead entry upon the S.E.¼ of 28-28-4-W.5th. I beg to inform you the Agent of Dominion Lands, Edmonton, has forwarded here your request to have the S.W. 27-58-4-W.5th Meridian reserved for you in connection with your wish to secure a fresh start outside what is known as the "Dry Area. The Agent also sent here the Certificate of Approval issued in your favour by the Provincial Authorities.

Encl.

The Soldier Settlement Board has informed the Department that you are disposing of your patented homestead to the Board; that you wish to secure the S.E. 28-58-4-W.5th Meridian as a new homestead, and that you wish to have your Soldier Grant entry transferred to the S.W. 27-58-4-W.5th Meridian.

Before you can be given permission to make formal application for entry for the land you have selected as a new homestead it will be necessary for you to furnish satisfactory evidence in the shape of Abstracts of Title showing that you have been divested of all interest in your patented homestead and any other land holdings you may have in the "Dry Area", i.e., south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract and that such land stands in the name of some other person or persons. You will also require to furnish a declaration on the enclosed form setting out that you are not now the owner of any land in the "Dry Area".

In the event of your eventually securing formal entry for a second homestead, you will require to perform all the ordinary settlement duties thereon in order to obtain patent and if you are indebted to the

Department

W.B.Sinclair, Esq.,
Massido,
Alberta.

Department for seed grain or relief such indebtedness will have to be transferred to the new location.

It would appear that the Soldier Settlement Board consents to your transferring your existing Soldier Grant to the S." . 27-58-4-W.5th Meridian. Such being the case you should first secure a letter from the District Superintendent of the Board giving a description of the quarter-section which you now hold as a soldier grant authorizing the Agent of Dominion Lands to accept an application from you to have reserved in your favour the land you have picked out. This letter must be issued by the District Superintendent of the Board and if you have not already done so, you should place yourself in communication with him and when you obtain your letter you should present it in person to the Agent at Edmonton.

When making your application to transfer you will require to surrender your interim receipt which you obtained when you secured your present Soldier Grant and secure a statutory declaration embodying your reasons for applying to transfer and the Agent will then report to Head Office for consideration.

Secretary.

Entry granted - 10th January, 1916.

---

Cancellation proceedings were instituted against this entry on behalf of the Department on the 7th of April last for failure to make application for patent within the required time. No defence has been filed.

Homestead Inspector Fleming reported on the 23rd of August last that no residence duties had been performed on the land.

Improvements:
Nil.

Cultivation:
1916 - broke 25 acres.
1917 - cropped 25 acres.
Gone back to grass.

General Remarks:
"Visited above land. There is 25 acres broke 1916 and cropped 1917. Breaking gone back to grass. No residence on land. This land is very bad for burnouts."

According to the evidence furnished by the Inspector it would seem that this entry is seriously in default. Under the circumstances I would suggest that the Agent be instructed to carry out the cancellation provided he is aware of no reason to the contrary.

N.½ 18.....Ordinary Homestead.
N.½ 34.....Stock Homestead.
S.E.¼ 4.( Grazing.
S.½ 28.)

All these lands are reported clear in the different Branches of the Department, and no seed grain charges appear to be noted against any of them.

According to the Homestead Inspector's reports, the S.E.¼ 4 and the S.½ 28 have no areas fit for cultivation, and are only suitable for grazing. I would, therefore, suggest that the Agent be instructed to post these lands for leasing only, provided he may be aware of no reasons to the contrary.

The Inspector reports fifty acres of the N.E.¼ 18 as fit for cultivation, and recommends the quarter-section as suitable for ordinary homesteading. I would, therefore, suggest that the Agent be instructed to post this land for ordinary settlement, provided he may be aware of no reason to the contrary.

With reference to the N.½ 34, the Inspector reports thirty acres fit for cultivation, but states that breaking would cost $10.00 per acre to clear of stone, and that about twenty-five acres of the balance is very stony and gravelly, and one hundred acres fairly good pasture.....

pasture. It would, therefore, appear that this quarter-section might be suitable for either mixed farming or stock homesteading, and I would suggest that the Agent be instructed to post the land for ordinary settlement, provided he may be aware of no reason to the contrary. I would also suggest that the Agent be advised that he may inform any applicant for entry that he may prove up under the stock clause of the regulations should he so desire.

Sir,-

With reference to your enquiry, and respecting the S.W.¼ 13-24-10-W.4th M., I beg to inform you that this land was entered for as a homestead by George Smith on the 7th December 1915.

It would appear from the information furnished by the Department of Militia and Defence that Mr. Smith enlisted prior to securing this land, consequently any time spent on active service could not be counted by him as residence in connection with his entry. Mr. Smith has, however, been in communication with this Department for the purpose of securing the issue of Letters Patent without being required to fulfill the conditions of his entry.

Supporting his application a Medical Certificate has been furnished from R. D. Gamson, Captain C.A.M.C., Calgary, certifying that Private G. Smith was suffering from Otitis Media left, and is also generally debilitated and unable to perform any homestead duties. This certificate was furnished on the 5th September last and it was decided that before Mr. Smith's application could be entertained it would be necessary for him to furnish a medical certificate

certificate showing that he is is permanently disabled and unable to perform homestead duties. The certificate furnished should give details as to his present physical condition.

Although Mr. Smith was communicated with on the 7th January last no further correspondence has been received from him.

The Departmental file does not show Mr. Smith to be indebted for Seed Grain, Fodder or Relief but further information in this respect will be secured and you will be further advised.

Sirs:-

Your File #214648 (Pte Geo.Smith)..

Mr. Geo. Smith has asked me to take up with you the matter of his Homestead entry on the S.W. ¼, Section 13, Township 24, Range 10, West of the Fourth Meridian.

As I understand the situation, it is possible for him to obtain letters patent on the above noted quarter section of land, providing he can show you documentary proof that he is permanently disabled from performing his homestead duties. This man was considered permanently disabled by the Disabled Soldiers Training Board and granted a course in re-training under the Vocational Branch of this Department. As you know, we go into each case very carefully, and before establishing a man's eligibility to a course in re-training we must have very clear proof that he is unable to resume his former occupation.

In the case of Mr. Smith, his previous occupation on his Medical History Sheet is that of farmer. Attached you will find a statement to this effect signed by the Medical Officer for the Vocational Branch of this Unit, and should any further information be required we have complete records on this man and would be pleased to furnish you with certified copies

Entry granted 7th Dec.1915.

Mr. Smith enlisted for active service and is desirous of securing Letters Patent for his land without completing the requisite settlement duties on account of disability.

From a certificate of discharge filed in the Department it appears that the entrant enlisted on the 12th of June, 1915, prior to entry, in the 56th Overseas Battalion and was subsequently transferred to the 15th Battalion; received his discharge on the 11th of November, 1916, in consequence of being medically unfit.

It does not appear that any duties have been performed on the land and as the entry was granted subsequent to the date of his enlistment, the time spent by him on active service could not be counted to his credit as residence duties performed.

In a medical certificate dated the 18th of December, 1917, it is set out that the entrant was suffering from Otitis Media left and is also generally debilitated and unable to perform any homestead duties.

The case was submitted by Mr. Stafford on the 28th of December last and you ruled as follows:-

"Seems to me Dept. should have a
"medical certificate showing that entrant is
"permanently disabled from performing homestead
"duties, and giving details. Mr. Boyce says
"'Otitis media left' mentioned in certificate,
"means inflammation of middle ear, and might or
"might not be a case of disablement according to
"severity of case."

Your

Your ruling was concurred in by the Commissioner and approved by the Assistant Deputy Minister.

Mr. Maher has made enquiries in this case.

A further medical certificate dated the 8th of June, 1918, reads as follows:-

"This is to certify that bearer, "Pte. Smith, late of the 15th Batt. is suffering from deafness in both ears of an extreme "degree. This is due to a great extent to "exposure during active service overseas. In "addition to the disability his health is not "good enough to permit him to do homestead "duties at the present time."

The case was again submitted on the 25th of June, 1918, and you ~~ruled~~ recommended that as the evidence of disability did not appear to be sufficient to warrant immediate issue of patent, entrant might be required to perform duties but given every leniency as to commencing same. Your ruling was concurred in by the Commissioner and approved by the Assistant Deputy Minister.

Mr. Smith was advised from this office on the 6th of July, 1918, that it would be necessary for him to comply with the terms of his entry and perform residence and cultivation in each of three years; that the Agent at Calgary was being instructed to grant him every protection from cancellation during that season; that he should endeavour to have a dwelling house erected on the land that year in order that he could commence the performance of the settlement duties without further loss of time.

A communication has now been received from the District Vocational Officer for Alberta, Department of Soldiers' Civil Re-Establishment, enclosing a further medical certificate which reads as follows:-

"I hereby certify that I do not "consider Ex-Pte. Geo. Smith physically fit "to do homestead duties. Besides his chronic "Otitis Media he suffers periodically from "attacks of Myalgia which is worse in cold or "damp weather. If exposed as he would have to "be in homestead, he would in all probability "become totally incapacitated."

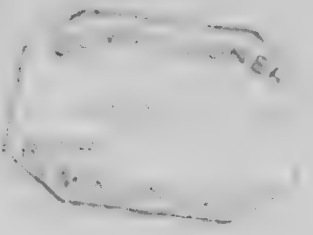

In his covering letter Mr. Metcalfe states that this man was considered permanently disabled by the Disabled Soldiers Training Board and granted a course in re-training under the Vocational Branch of that Department; further that they go into each case very carefully and before establishing a man's eligibility to a course in re-training they must have clear proof that he is unable to resume his former occupation; that in the case of Mr. Smith his previous occupation on his Medical History Sheet is that of farmer; that should any further information be required

they

they have complete records on this man and would be pleased to furnish the Department with certified copies of any of the documents on file which might be necessary to establish this man's claim.

The case is submitted for your further consideration.

RETURNED SOLDIER LOAN

Mr. Hume.

S.W.¼ 13-24-10-W.4th M.
Homestead of George Smith.
Entry granted 7th December, 1918.

---

The entrant for this land obtained entry after enlistment and has made application for patent on account of disability contracted on active service.

The case was submitted by Mr. Thompson on the 25th June 1918 when it was ruled that evidence of disablement was not sufficient to warrant immediate issue of patent. Intrant might be required to perform duties but given every leniency as to commencing same.

The case was again submitted on the 12th June last by Mr. Davidson, (see his memorandum which is marked) when it was decided there would not seem to be any reason to change the form of decision.

The Deputy Minister has a memorandum on file to the effect that the Board of Pension Commissioners were to be asked if Private Smith was in receipt of a pension and the percentage his disability affected him in earning his living.

This medical history sheet has now been received and shows that the entrant has a permanent pension of fifty per cent on account of deafness. The report of Lieutenant W.J. Cranmore, Canadian Army Medical Corps, states that it is his opinion the deafness has been aggravated by service and the only thing that will help him to hear better will be the use of some sort of ear phone, and that the extent to which the disability will incapacitate him from earning a livelihood is fifty per cent. A permanent pension has been granted for this amount.

The

The Department of Soldiers' Civil Re-establishment at Calgary, Alberta is apparently acting for the entrant.

Please be good enough to advise if any change is now to be made in the former decision.

Sir,

In reference to your letter of the 20th October in connection with regimental number 447154, Pte George Smith, late of the 15th Battalion, I beg to inform you that after careful consideration of the medical history sheet of this man, it has been decided that the Department would not be justified in the immediate issue of patent for his homestead, the S.W.¼ 13-24-10-W. 4th M. As the disability shown does not appear to be of such a nature as to prevent Mr. Smith from performing the ordinary duties in connection with his entry. The time spent by him on active service, in view of the fact that he obtained for the land prior to his enlistment, will under the regulations be counted towards the performance of his residence duties. It would, therefore appear that he has completed the terms of residence and it will only be necessary for him to complete further proof of six months residence upon the land, and to comply with cultivation duties before he will be in a position to make application for patent.

Sir:-

I beg to acknowledge receipt of your letter of the 24th instant with regard to the homestead entry of George Smith for the S.W. ¼ 13-24-10 W. 4th Mer., and to say that it would appear from our file that Mr. Smith obtained entry subsequent to his enlistment, and this being the case he would not be able to count the time spent on active service as residence in connection with his homestead. He would therefore be required to perform a term of six months residence in each of three years, break 30 acres and crop 20, a reasonable proportion of the breaking to be seeded in two of such years, before he would be in a position to make successful application for patent.

If Mr. Smith is not in a position at the present time to proceed with his homestead duties, by reason of his physical condition, I would suggest that he should complete the form which was forwarded to him in connection with the cancellation proceedings which have been instituted, and at the same time furnish a Medical Certificate. Same will be forwarded to Head Office for consideration on receipt here, and I have no doubt the Department will grant him all possible consideration.

Question - Disposition of land.

The Homestead Inspector reports the above lands as available for homesteading. In view of the Homestead Inspector's reports I would suggest that the lands be posted for Homestead entry.

In connection with the N.E. ¼ 2, it is apparent, from a letter from the Agent of Mission Lands under date of the 23rd June, 1922, hereunder marked for your convenience, that Mr. Harry V. Lillywhite, Delano, Alberta, made application for homestead entry for this land at some considerable ex cone, prior to the date on which the right of entry was temporarily withdrawn, pending the General Inspection of Vacant Lands in Area "3". He was advised by the Agent, in error, that the land was not available for homestead entry at that time. I would, therefore, suggest that the Agent be requested, when posting this land for homestead entry, that Mr. Lillywhite be sent a copy of the posting notice to his address at Delano, Alberta. The Homestead Inspector reports the above values at [illegible] this quarter section[illegible] and I would be advisable to have the Agent report as to the present standing of the application.

There is [illegible] entering against the N.E. ¼ 2 for [illegible] and against the N.W. ¼ 19 for [illegible].

# POSTING LAND, OTHER THAN SOLDIER SETTLEMENT LAND.

Calgary, November 8, 1922

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 20th day of November 1922 the South ½ of Section 13 Township 24 Range 10 West of the 4th Meridian will be available for entry, providing the land is of the class available for farming and is unoccupied, as follows:

If the day above stated, that is on the morning of the 20th Nov. 1922
(Entry in person or by proxy)

If the following day, that is on the morning of
14th day of Nov. 1922
(Entry in person and at office of Agent only.)

Where one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 15th day of Nov. 1922
(Entry in person or by proxy)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ .....

## Payment for Improvements.

Where a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements* there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of* the value of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of any question as to the correctness of the entrant's valuation, or if the value of the improvements exceed $25.00, the Agent shall cause such improvements to be examined and valued by a Dominion Lands Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient payment has been made the entrant must at once pay the difference, otherwise his entry may be cancelled.

## Payment of Indebtedness Charged Against the Land

There is the amount of ..... charged against this land, $ ..... It is the amount collected by the Agent from the entrant, before the grant for entry is required to pay off any indebtedness charged against the land.

Attention: Mr. [illegible] Ince.

Your File No. 615574 Z&G.

In reply to your memorandum of the 12th instant I am to state that on the 22rd October, 1922, the Agent of Dominion Lands at Calgary was instructed to post the above described quarter section for ordinary settlement, which he did on the 2nd November of that year.

For your information I am to state that when the land in this area becomes available, if the first application which comes up for consideration before the Agent of Dominion Lands, after the expiry of the posting notice, is an application for a grazing lease, and the Agent accepts such application, he will not thereafter take into consideration any subsequent application on the part of a settler desiring homestead entry for the same land, until the application for grazing lease has been disposed of in the ordinary way after investigation by an Inspector. If this investigation shows that the land is suitable for agricultural purposes or as a stock homestead, the application for grazing lease will be disallowed by Head Office, and the land will thereafter, if no reason to the contrary appears, be thrown open for settlement by a new posting notice.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the [illegible] 19[illegible] the [illegible] ¼ of Section [illegible]

Township 31 Range 8 West of the 4½ Meridian, will be available for entry, provided it is not of the class suitable for farming and is unoccupied as follows:—

On the day last mentioned the privilege of entry either as an ordinary homestead or as a soldier grant, is restricted to a "settler" as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section, and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

*a*) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies either in person or by proxy.

*b*) by a "settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry.

*c*) by a "settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph [illegible] of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"settler" means a person who has served in the naval or military forces of Canada during the present War or who was engaged in active service in connection with the present War as a nursing sister or as an officer or member of the Canadian Army Medical Corps or of any other auxiliary force recognized by the Department of Militia and Defence, or who was engaged in active service in the service of His Majesty or His Majesty's Allies during the present War and who has been honourably discharged or who was specially invalided home as a returnable casualty or who has been honourably discharged and the wife of any such person who has died;

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $ [illegible]

## Payment for Improvements.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of any dispute as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25 the Agent shall cause such improvements to be examined and valued by a Dominion Inspector. If a surplus has been paid the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

According to the Homestead Inspector's report none of this quarter section is fit for cultivation. The land is hilly and stony and only fit for grazing. The Inspector also states that the land is enclosed with that held under lease by Mr. Richardson.

I would, therefore, suggest that the Agent be instructed to post this land for leasing only provided he be aware of no reason to the contrary, and that Mr. York's attention be called to the fact that Mr. Richardson is apparently using this land in connection with his lease as he may desire to take action in this regard.

There is nothing on file to indicate any Seed Grain charge noted against this land.

Re: Account of John Alexander Ferguson,
S.½ 17-30-5-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $120.00 was advanced to John Alexander Ferguson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

| Principal | Interest | Total |
|---|---|---|
| $ 120.00 | $ 285.55 | $ 405.55 |

Patent was issued in the name of John Alexander Ferguson for the S.W. 17-30-5-W.4th on the 8th of June, 1920, subject to the 1919 lien. The S.E. 17-30-5-W.4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 15th of August, 1928, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The South East quarter is unalienated Crown land while title to the South West quarter is vested in this Department having been acquired through Tax Recovery proceedings. This land, vacant at present, is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of same being utilized for any purpose other than grazing or any disposition made other than by lease agreement."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale or used for farming purposes in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

The land is situated in Area "B", and Inspector Cloakey reported on the 12th ultimo 80 acres fit for cultivation.

General remarks: "This land is very dry and there are several small sloughs on it. If it was in a fair district would make a fair homestead, but is in a very dry part of the country, and I would therefore recommend it for stock homestead for some one who has land adjoining or close to it or for grazing."

Kindly say what disposition is to be made of the above land.

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the grant of land of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable period, not exceeding one month, having regard to all the circumstances of the case, to the Board;

Provided also that if the Agent is in doubt as to the priority of any claim, he shall not grant entry for the land affected but refer the matter to the Board for consideration.

The patented homestead, the NE¼ of section 12 is not involved for security for the 1919 advance, and the debtor's pre-emption on the SE¼ has been cancelled. As no information can be secured of Mr. White's address, I presume this case must rest in abeyance for the present.

Re: Account David A. White
S.E. 12-32-5 W.4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $400.00 was advanced to David A. White on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| Principal | Interest | Total |
|---|---|---|
| $ 400.00 | $ 931.52 | $ 1331.52 |

The S.E. 12-32-5 W.4. was formerly the pre-emption of debtor whose entry was cancelled on the 16th June, 1924, and is still unalienated Crown Land held in the Right of the Province.

In reply to our questionaire concerning the S.E.12-32-5 W. 4 of the 16th May, 1952, J. H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

> "This parcel is unalienated crown land occupied at present under a grazing permit. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicated that the land is unsuitable for farming purpose and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

C. W. Gilchrist.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

(Here state reasons) That neither myself as surviving executor, nor the legatee, Mrs. Emily L. Smith, mother of the late John A. Smith, are in a position to carry out the terms necessary to obtain a patent to the land.

(Here state nature and extent of any improvements and if none so stated, where performed.) I understand that the Lands Inspector reported improvements to the value of $200.00, consisting of a deep bored well etc.

(Here describe the improvements and state value thereof, give area of breaking and cultivation each year.)

(Here state if intention is to make immediately re-enter for other land.) No.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act

Mr. Hume.

E. ½ of 31-14-20-W. 4th M.
Homestead and pre-emption of Carl Krogh, dec.
Entry granted 16th December, 1910.

---

Cancellation proceedings were instituted against this quarter section on the 13th August, 1912. Please see memo below showing duties claimed in defence by Laurits Krogh.

On the 18th September, 1912, Mr. L. Krogh was asked to file Letters of Administration and state his intention regarding the cultivation duties.

On the 4th November, 1913, The Trusts & Guarantee Company, informed the Department that they were appointed the administrators of the Estate, on the 4th September, and that they were taking the matter up with the brother of the deceased homesteader with a view to having the duties completed.

On the 10th January, 1914, The Trusts & Guarantee Company advised the Department that the brother was not in a position to do the necessary duties and that they were taking steps to have the duties done by other parties. According to a letter from the Company dated the 17th February, 1914, it appears that nothing has been done upon the land in addition to what is shown on the memo underneath, and that they were communication with the heirs of the deceased with a view to ascertaing whether they were in a positon to assist in the completion of the improvements.

On the 9th March, 1914, The Trusts & Guarantee Company, Ltd., were advised from this office that it had been decided to give them final notice until the 15th July, 1914, within which to furnish proof that the six acres upon the half section which had already been plough had been re-ploughed and seeded to crop.

-and that-

and that fourteen acres of additional breaking would have to be done upon the land.

It appears that the Company failed to comply with the terms of the Departmental letter above mentioned and the Agent at Lethbridge was advised to defer cancelling the entries and to communicate with The Trusts & Guarantee Company and ask whether they intended to complete the duties and if they said no, their entries would then be cancelled and the land disposed of in the ordinary way.

In the Departmental communication of the 14th September, 1914, The Trusts & Guarantee Company were informed that the cancellation proceedings would be further held over until the 1st of November, so as to complete arrangements for the performance of the necessary duties and take out Letters of Administration, as it appeared that the Royal Norwegian Consul at Montreal had been in communication with the heirs in Norway but nothing definite had been heard in the matter.

On the 25th November last instructions were given that as no entries in the Lethbridge District were to be cancelled before the 1st of April, 1915, the matter might be allowed to remain in abeyance until that date.

On the 3rd December, 1914, the Deputy Minister gave instructions that no action was to be taken in connection with the above mentioned entry without first referring to his office.

The Agent now writes the Department asking to be advised what action is to be taken in this case. Kindly advise.

Ottawa 22nd April, 1915.

**Memorandum:-**

E.½ of 31--14--10, W.4th Mer.
Hd. & Pre. Carl Krogh, deceased.
Entry granted 16th Dec., 1910.

Cancellation proceedings were instituted against the entries for this half-section on the 13th August, 1912.

On the 29th August, 1912. Mr. Laurits Krogh filed a defence setting out that his brother had died in August, 1912, but that before his decease he had lived on the land for about eight months between June, 1911 and April, 1912.

L. Krogh was notified on the 18th September, 1912, that no action would be taken to disturb the entries provided he increased the area of breaking as soon as conditions permitted and also provided he filed letters of administration with the Department.

L. Krogh did not take out letters of administration, but on the 4th November, 1913, the Trusts & Guarantee Co. informed the Department that they had received their appointment as administrators of the estate.

The proceedings have been held in abeyance until the present time.

Further facts in relation to this case are set out in Mr. Davidson's memo. hereunder dated the 19th instant.

Under the ordinary practice, it would seem that these entries should now be cancelled. But you will note that in his memo. dated the 3rd December last the Deputy Minister gave instructions that no further action was to be taken in connection with this matter without first submitting the same for his consideration. (Memo. marked).
